

Small Communities

Working Together

Moorland Public School is situated in small rural community. There are a number of small schools within this area that work together to provide our children with the academic, social, and culture welfare they deserve. These schools include:

- Coopernook Public School
- Hannam Vale Public School
- Johns River Public School
- Lansdowne Public School
- Harrington Public School

Map of our Community

The Following Map highlights the areas for each individual school to help show where students should attend depending on their address.

“ we grow good people in our small towns and small schools”

About our School

Moorland Public School is a small, friendly, well-resourced school on the Mid North Coast of NSW. We pride ourselves in offering opportunities for all in a safe and caring environment. Our school provides excellent educational programs, has a dedicated staff, enthusiastic students and a supportive, committed parent body.

We are proud of our

Technology

We use a range of technology such as laptops, computers, notebooks, robotics, interactive panels and connected classrooms as tools to assist our students in the key learning areas.

Sporting Events

Primary students participate in a variety of sporting activities. The Primary School Sports Association organises Athletics, Cross Country, Swimming, Tennis and other sporting events. All students undergo intensive swimming tuition each year.

Classes

We have two classes k-3 and 4-6 with a teaching principal and two teachers. We continually review data to group our students based on their learning needs, rather than just the grade they are in. Students work in groups for literacy and numeracy designed to meet their needs more accurately.

Kitchen Garden

We are embarking on our plan to rejuvenate our school grounds and to introduce a kitchen/garden program this year. We are very excited to be able to have our students grow healthy food.

Our Uniform

Moorland Public School has a compulsory school uniform which all children are required to wear daily.
