Term 3 Week 3

Tuesday 4th August 2020

## Principal Report

This week is Education Week and whilst it is impossible for us to invite our families into the school to see the great work we are doing, we are planning on releasing some pictures and videos of the 'working together' we are doing. On Friday all students K-6 will be working together on our Feast Cooking program sponsored by OzHarvest. I am looking forward to tasting the cooking.

Last week Racheal and students in K-2 cooked a yummy batch of pumpkin scones. Most students tasted them and those who were unsure, took some home for family.

The Home School Liaison Officer has been conducting roll checks and looking at student attendance. If your child's attendance falls below 80% he may contact you. Whilst the current situation with COVID makes it difficult, we encourage all parents to ensure students are attending school on a regular basis. If your child needs to be away for an extended time, and is well enough to complete some work, please contact me and I will arrange for some learning from home packs. It doesn't take long for students to get out of the routine of learning.

I would encourage any parents who have concerns about their child's learning or behaviour to contact the school and arrange a phone conference with the class teacher. These can be arranged at a time that suits both the family and the teacher.

## Sentral Parent SMS

A reminder to parents that we will now be using SMS via Sentral as another form of communicating. Parents can reply to these messages.

## Term 4 Events

We are hoping COVID restrictions will allow us to hold the following events during Term 4.

- NAIDOC
- Presentation Day
- Production in the community hall

If we are unable to hold these events in the traditional way (with parents and community invited) we will look at innovative ways of including our community.

If you know of any families wanting to enroll at Moorland, please ask them to contact us. We hope to start our Kindergarten transition week one next term.

## Be Responsible

We look after our school and each other

This week our focus on being Responsible continues. Students in Year 5 and 6 have been talking about their roles as leaders at school and how they can be more responsible. Some of the areas they identified were making sure the school is tidy, putting flags and banners up each day. Helping younger students in the playground if they need someone to play with and making sure no one is sad.
