Principal's Report

Next Monday will be a first for our school. Sadly our presentation day and school performance will go ahead without an audience. Covid restrictions make it impossible for the event to go ahead with parents/carers in attendance. We have decided to proceed and all parents will receive a copy of the production and presentation as an end of year gift. We had waited until the last minute for this decision in the hope conditions may change, however, we must be guided by NSW Health and the Department of Education in these matters.

Next year, Mr Jeffers will be working in a new role across the 3MAPS schools. He will be the new Digital Classroom Officer (DCO) providing technology support to staff and students at Moorland, Johns River and Herons Creek. Mr Jeffers will now be on class at Moorland for 2 days per week. We also welcome Mr Tomasone to our school for 3 days a week, Mr Tomasone has been at Johns River for many years, he will join Mr Jeffers working with the junior class and Mrs Williams and I will be sharing the senior class. We also welcome Mrs Jenny Stevenson our AP C & I. At this stage we anticipate an enrolment of 24 students.

If parents have any questions or concerns please give me a call.

We would like to congratulate Miss Drayton on her permanent appointment as classroom teacher at Hastings Secondary College - Westport Campus. Miss Drayton has been an asset to our school and we will miss having her at Moorland. Her new position in the support unit is well deserved and I am very proud of her achievements.
