Term 1, Week 11

Tuesday 9th April 2024

Principal's Report

As this term comes to an end I want to reflect on the successes we have had and look forward to Term 2.

We have focussed on student attendance with great success. Our attendance rates are great, sitting at 92% compared to 85% in similar schools in NSW. Well done to parents and students. If we can limit absences to when children are sick, we are giving all children the best possibility for learning.

We have participated in Lansdowne District, Manning Zone, and Hunter Zone sporting events. Well done.

NAPLAN for 2024 has been completed by all students in Years 3 and 5.

Staff have completed The Anxiety Project training. In the following terms students and parents/carers will be engaging in the learning around this project.

We have attended CPR training and 3MAPS Harmony Day activities and enjoyed bike safety day and the Easter Parade. Term 2 will also be a busy term with School Camp in Week 3, school photos (11th June), Athletics Carnivals, NAIDOC day at Kendall and much more.

Enjoy your break and we look forward to seeing all students back on Tuesday 30th April.

Canteen

There will be no canteen this Friday, instead all students will be offered a 'picnic' lunch. Students will be preparing a variety of picnic items as part of our kitchen garden. This will include smoothies, fruit, sandwiches, sausage rolls and other snacks. There will be no cost for students, however, if your child prefers, they can bring their own lunch.

Caring for our School Special Event

Friday 12th April - last day of term

Come Out of Uniform!
No thongs or singlet tops please.

There will be a Picnic Lunch provided for all students. If they wish to bring their own lunch please do.

Thank you

Thank you to First Steps Count Child and Community Centre in Taree for their very generous support for our students. The \$50 vouchers for Target are very much appreciated and I hope all families were able to find some useful 'back to school' items.

Mother's Day Stall 🌸

We will be holding our Mother's Day Stall on the first Thursday back next term (2nd May). All items are \$5. Please send in \$5 per child per present to the office as soon as possible if you would like your child to participate in the stall. If you would like to buy multiple items (perhaps for Grandma or a special friend), please send an extra \$5 per present. This is a great "buying" experience for your child and supports our school as well.
